

Women in Exchange

Would you like to exchange ideas with other women?

Do you seek education or employment?

We organize an exchange for **women with refugee and migration backgrounds**.

Small groups meet regularly (approx. every two weeks) online (via Zoom).

The group should primarily talk about challenges in the context of **education and work**.

If the group needs more information on a topic, we organize short presentations.

Why is the project good for you?

- You get to know other women.
- You can talk about your personal experiences and questions in a small group (for example about how to combine family and work).
- You get support from other women.
- You can support other women through your experiences.
- You will receive information about counselling centres and support services.
- At the end of the project you will receive a certificate of attendance.

Start:
June

Period of time:
approx. 5 months
